The Opportunity: Suliagijaugajattuk:

The Finance Manager for the NHC will be responsible for establishing accounting policies, internal financial controls, and financial systems. This role includes comprehensive financial management, such as maintaining the general ledger, preparing financial statements, managing payroll, budgeting, and cash flow for both operations and capital projects. The Finance Manager will oversee reconciliations, ensure effective financial planning, and identify areas for process improvement. Additionally, they will assist in preparing Business Plans and 5-year Financial Plans, prepare monthly financial reports for government bodies and the Board of Commissioners, and coordinate with external accountants and auditors for annual financial statements.
